MILITARY AND MISCELLANEOUS

To

K. Matthan, Esqr., B. A.,

Chief Secretary to the Government

of His Highness the Maharaja of Mysore,

B A N G A L O R E.

S i r,

Adverting to Government Order No. G.21945-22005/P.& S 7-20-3 dated 20th May 1921, issuing instructions regarding the scale of stationery articles in Government Offices and stating that the Superintendent, Government Stationery will supply only 75 per cent of the quantities shown as consumed in 1919-20 or 1918-19 whichever is lower, I am directed to state that all the subordinate courts report that they have hardly sufficient supplies of forms and stationery articles to meet the demand till the next supplies are received and that any curtailment in the supplies of stationery articles and especially of printed forms claimed in the indents for 1921-22 which have been prepared only after careful scrutiny will cause extreme inconvenience and will almost certainly result in the accumulation of arrears and delay in the despatch of judicial work.

The work of the civil courts has increased all round and complaints about inadequate supplies in the past both printed forms and stationery ~~supplies~~ articles have been frequently received from the lower courts and with increasing work it seems clear that a decreased supply of stationery

must result in inconvenience which is out of proportion to the saving effected in cost.

I am therefore to request that the reduction ordered in paragraph IV of the Government order under advertence may not be made applicable to the Judicial Department and that the Superintendent of Stationery be instructed to issue the stationery articles and forms claimed by the Chie Court and the subordinate courts in their indents for the year 1921-22.

Clause (i) of paragraph I of the Government Order limits the supply of machine made paper to the Secretariats and offices of Heads of Major Departments and Deputy Commissioners of Districts. In this connection the Chief Cou consider it necessary to bring to the notice of Government that the use of paper of good and durable quality for the purpose of writing judgments and orders is very essential in the case of judicial offices, in view of the fact that these judgments and orders have to be permanently preserve Provision has therefore to be made in the Government Order for the courts of all judicial officers, both civil and criminal, being supplied with such paper in addition to paper required for ordinary purposes.

The civil court Judges and Magistrates have to do a very exceptional amount of writing work with their own hand, on the bench, as well as outside the court and the scale of supply of penholders and nibs fixed in paragraph III is inadequate. They should in the opinion of the Chief Court be supplied with at least three sets of holders a year and six nibs a month.

Clothlined paper is included in the Government Order among articles of luxury and unnecessary articles the supply of which has been directed to be discontinued. But it seems to the Chief Court that that paper or some possibly less expensive substitute seems to be necessary for civil courts as valuable judicial records which have often to be transmitted by post, are to be securely packed against damage or injury to them.

For these reasons, the Chief Court propose the following amendments for consideration of Government :

(i) Under head I(i) District and Sessions Judges and all other Judicial Officers may be included.

(ii) Under I (iv) District Judges may be included along with Deputy Commissioners.

(iii) Under II (ix) clothlined paper an addition may be made making an exception in the case of judicial offices.

(iv) Under III it may be added that three sets of these articles will be supplied to judicial officers.

(v) The reduction of supplies under head IV may not be made applicable to the judicial offices.

It is presumed that the reduction of supplies ordered under head IV in the Order under advertence does

not affect the supplies of printed forms, but if it does, I am to invite reference to my letter R.O.C. No. 17 of 1920-21 dated 3rd July 1920 representing the fact of inadequate supply of forms, and your reply No. G.981/P. & S. 7-20-2 dated 14th July 1920 stating that the Superintendent of Stationery has been requested "to supply in full and regularly hereafter the indent of each court/printed forms and registers", and to request that the Superintendent of Government Stationery be instructed accordingly.

I have the honour to be,

S i r,

Your most obedient servant,

Athimoolapuchan
